

Date:25/10/14

Dear Ice User,

We are pleased to be able to let you know that the builders are aiming to start the strengthening work in the ice rink on Tuesday 28 October, and estimate that they should take no more than a few days.

We will be in touch with all clubs next week to discuss both their cancelled and future bookings.

Thank you again for your patience and we hope to see you back on the ice shortly.

Regards

Ben O'Connell
Head of Operations
